

# Volunteer Opportunity!

## Andrada Polytechnic High School Senior Exit Projects

Senior Exit Project presentations are an opportunity for Andrada's seniors to professionally demonstrate their hard work and tell about their experiences as they shadowed mentors in their chosen industry. The presentations and interviews held at the end of the year are the final component of the project. The completion of the presentation is a significant milestone in their lives. Come help support and give meaningful feedback to them as they prepare for life after high school.

**We are in need of community volunteers to serve as judges for these presentations and interviews on:**

**April 25th, from 4pm-8pm at Andrada Polytechnic High School.**
